

YOUR FIRST STEP TO AN APPRENTICESHIP

Why Mantra Learning

Mantra offers pre-apprentice support on our Pathway to Apprenticeship programme. We train our learners in the key skills and knowledge needed to start employment. This is accompanied by valuable work experience with selected employers.

Why Logistics

The logistics sector is one of the fastest growing industries in the UK, with an increasing demand for qualified and skilled workers. Last year saw wages and job opportunities rise.

We will support you in finding your apprenticeship, giving you the skills and experience that employers demand, whilst also teaching you interview techniques and CV building.
