

Join us for our next **AGE FRIENDLY NETWORK MEETING**

We're excited to include some helpful and informative talks in our upcoming session:

- Stephen from Hearing products for you, to share insights on useful devices designed to support those living with hearing impairments.
- Steph from Boots Pharmacy, Stockport talking about how to order prescriptions online, how they can help with minor ailments (saving you a trip to the GP!), and more.
- Plus, learn about Age UK's national campaign – Act Now, Age Better – and how it's helping shape a better future for older adults.!

Join us for tea, coffee, and biscuits as we get together for a relaxed catch-up.

It's the perfect time to:

- Connect with others in the network
- Share any issues or ideas you'd like us to explore as a group.
- Take a look around our hub space.

We'd love to see you there! Everyone is welcome.
