

Wednesday Adult and Toddler Group

We provide a safe and structured place of play for babies with different activities every week.

We listen to the issues our parents are facing. They can help each other over a brew or a member of our team can signpost to specialist services.

We provide a hot and healthy meal for everyone each week. Like jacket potatoes, pasta bakes and more.

We run every Wednesday 9.30 - 12.30 at Heaton Norris Community Centre.
