

# CHAT CANCER

Drop in anytime for **informal chats** and **helpful information** about **cancer prevention**, **early detection** and **cancer screening**.

Do plastic bottles  
cause cancer?  
(Spoiler: No!)

Hear more about cancer  
screening in Stockport and  
how screening saves lives

Learn why early  
diagnosis saves lives  
and how cancer  
survival rates are

Find out how to  
reduce your chance  
of cancer

Share your  
ideas and  
experiences

Learn about the warning  
signs of cancer and when  
you should speak to your GP

**STOCKPORT**  
METROPOLITAN BOROUGH COUNCIL

**Cancer affects us all.**

**Let's chat about what we can all do to reduce our chance of cancer and how we can spot it early.**

Happening across Stockport Libraries  
Check out your local library's information board to find out more.
