

Do you have a learning disability or care for someone who does? Are you passionate about making Stockport health & care services GREAT?

Lived Experience – Paid Opportunity Co-Chair of Valuing People Partnership

Stockport Council and Healthwatch Stockport are looking for a Co-Chair for the Valuing People Partnership to help lead meetings and inspire incredible things.

The Role For You?

You'll be a good listener and support the Chair of the Valuing People Partnership to improve the lives and experiences of people with learning disabilities. You'll also ensure their voice is at the heart of all we do.

The Partnership meets every two months and is for people with learning disabilities, family carers, voluntary and independent organisations, and advocates to discuss issues relating to learning disability services.

The post is paid an hourly fee or by voucher. If you'd love the challenge, we want to hear from you.

How to Apply:
