

**Does your role involve supporting others?**

**Would you benefit from being a more effective communicator?**

**Beechwood is delivering the following courses, starting September 2021**

### **Level 2 Award in Counselling Concepts**

- Develop an understanding of the different therapeutic models of counselling
- Explore the core conditions of a counselling relationship
- Learn effective listening and communication skills

### **Level 3 Award in Counselling Skills**

- Develop a range of counselling skills at a consistent level
- Underpin these skills with an understanding of one major therapeutic model
- Increase the self-awareness and the impact that you have on people
