Remote course

Creating a Business Start-Up

LEVEL 2

WHAT YOU WILL LEARN

Starting your own business can be exciting, but it's important to be aware of the initial processes and requirements of a business start-up.

If you're looking to start your own business, the Level 2 Certificate in Creating a Business Start-Up will help you to explore business ideas and select the most appropriate option to develop yours.

You will learn how to develop and progress your business plan so you fully understand your target market.

The virtual course will also teach you about marketing your business and the important legal and financial requirements you have to follow.

For more information call our referral team on 0161 881 4826.

The course will:

- Focus on the study of starting a business
- Support you to create a business plan

Learn with expert tuition and support. Further your personal and professional development and demonstrate your competency to employers.
