

# WELLNESS COLLABORATION DAY AT THE ARC CENTRE

29th November 2021 11am till 2pm

Wellington Mill, Wellington road  
south, Stockport, SK3 0EU

We are holding a wellness "drop in" day at the ARC Centre Stockport to showcase just how we can support you with your current wellness, and future development.

We will have representatives from Stockport JCP, Working well, Work and health program, Stockport homes and ARC facilitators coming along, so just pop in and have a chat, and check out all of the different ways we can help.

You will also be able to enjoy a "taster" session in action, highlighting the many ways that the ARC centre can support your personal wellness.
