

Eligibility: Must be aged 19+ and live in Greater Manchester

Qualification: Digital Skills

for Work

This qualification is designed for those who have digital skills and are looking to improve their digital literacy.

LEVEL 2

4 week hybrid course that will introduce you to using search engines and social media platforms to find the information you're looking for, storing your data safely and minimising data breaches, and how you can use technology to communicate professionally. You will also be introduced to the world of blogging and how to engage with your followers for better interaction.

WHAT YOU WILL LEARN

- How to protect devices and data
- Communicate socially and professionally using technology
- Apply digital skills in personal and business situations
- Use digital resources to facilitate your own career progression.

START DATES
