FUTURE

YOU

What is FutureYou?

Young people don't always get the right opportunities to enhance their lives or progress their careers, which is why many 18-24 year olds are currently out of work and not in full time education, and many employers are missing out on their untapped talent!

Ingeus delivers FutureYou across Greater Manchester with our specialist partner network. Collectively, we work with organisations and employers to break down barriers and help young people progress into local opportunities.

What support is available?

FutureYou is designed around each young person and uses a mix of in-person, telephone and online support. Each young person gets a dedicated mentor to work with them throughout their programme.

Support includes:

- Employability skills
- CVs and application forms
- Skills and training workshops
- Access to work experience and job vacancies
- Health & wellbeing
- Community projects and volunteering

Working with employers

We connect local employers with young people to create talent matches for successful employment outcomes, including work placements and work experience opportunities.

If you're a local employer who can support a young person gain valuable experience or are looking to recruit new talent to build your business, get in touch to find out more.

Working with local partners

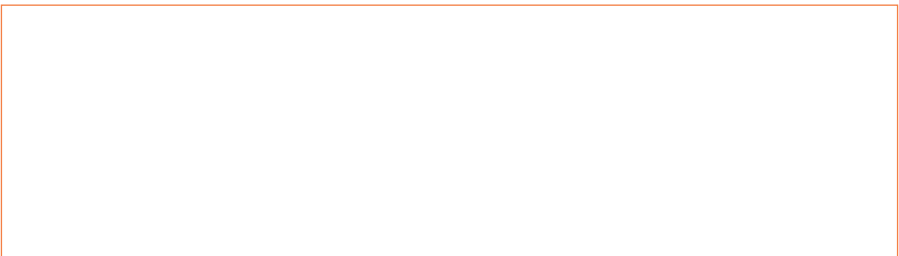

Our dedicated team take a holistic approach to helping young people and collaborate with a wide range of local partners to help enable successful outcomes.

If you would like to find out more about how we can work together, or simply have a chat, we'd love to hear from you.

How to refer to FutureYou

If you know an 18-24 year old who would benefit from FutureYou, they can get in touch or sign-up at **StartFutureYou.co.uk**, or please contact your local team using the information below, or contact us at:

futureyou@ingeus.co.uk
