

WORKING WELL

DOING THINGS DIFFERENTLY
FOR GREATER MANCHESTER

Good work is good for your health

Working Well: Individual Placement and Support in Primary Care (IPSPC) is a free programme to help people find work and/or stay in work

Save time on work-related conversations with your patients by referring to us

Checklist:

- Access to a personal Employment Specialist
- A link between you, your patient/service user and their employer to make sure their individual needs are met in the workplace. We can take your fit note recommendations to the employer
- Help employers to implement reasonable adjustments
- Rapid, personalised job search to help you find the right job based on your skills and abilities
- Support to contact potential employers on your behalf
- Job interview preparation including accompanying you to interviews
- Access to 24/7 employee assistance programme
- Benefits and self employment advice
- CV writing support
- Ongoing in-work support

You can refer your patient/service user to IPSPC by visiting our website www.gcemployment.uk/wwipspc or contacting us on **0161 237 4111** or IPSPCreferral@gcemployment.uk

IPSPC is part of the Working Well family. Eligibility criteria applies.
