

Help us grow our Social Enterprise community!

Intro to Enterprise is a learning programme for unemployed individuals in Stockport to find out more about the Social Enterprise world and the career opportunities it brings.

Inspiring Enterprise - Communications Pack

What is it?

Inspiring Enterprise is a WEA ESF funded programme offering unemployed Stockport residents the opportunity to find out more about the world of Social Enterprise and if / how they fit into it.

Social Enterprises are on the rise in the UK. And it's no wonder with the career route offering an opportunity to be part of a business that is not only profitable but gives back to society.

Sector3 are running two Taster Sessions for individuals to find out more about the programme, the world of Social Enterprise and decide if they would like to continue the series.

For full information of the programme visit <http://ow.ly/36Hg50F6mvq>

How can you help?

Please feel free to share news of the programme with your network.

Sector3 have created flyers and social media graphics to help you promote this to your audience, available on the programme webpage (see link above - scroll to the bottom of the page).

Below are some examples of social posts to share with your communities. Feel free to tailor these or create your own
