

Do You Know any Individuals who have a Learning Disability and need a Covid or Flu Vaccine?

We can Help:

If you know someone who has a Learning disability, who has difficulty accessing the current Gp vaccination programme due to challenges i.e., Increased anxiety, behavior problems etc. Then you can refer to us.

Who are we:

We are the community learning disability team. We can offer desensitization and additional support

How do you refer:

For referrals, please contact the following number and request a referral to the Community LD team for a Covid and Flu vaccination and desensitization work

Tel number: 0161 217 6029
