A Graduate Intern's Journey

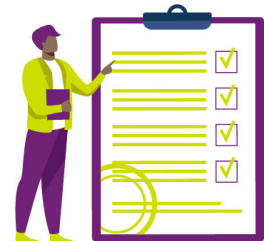

Online Application

Demonstrate how you meet the person specification, why you are a suitable candidate and why a graduate internship with Locala appeals to you.

Interview

If your online application is successful you will be invited to attend an interview.

Recruitment

If you are successful at interview we will carry out some pre-employment checks in preparation for you joining us.

WELCOME

Inductions

You will attend a Locala induction with other new starters, a team induction, and a graduate welcome event where you will be introduced to our Graduate Network.

Supervision

You will be well supported by our team of internship colleagues and have the opportunity to support other graduates and share experiences.

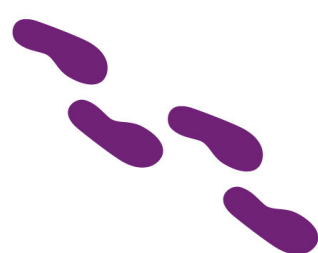

Development Opportunities

You will have the opportunity to enhance your professional development by accessing training and workshops.

Exit and Evaluation

Your internship will end with a project presentation, which will enable you to showcase your portfolio and evaluate how the experience you have gained will support your journey into future employment.

Are you a recent graduate that wants to be part of our exciting future?
