NWAS IN THE COMMUNITY

Take part in our first ever Community Day on Thursday 19 October 2023 to raise vital funds for four North West charities.

Join us on our charitable walk around Manchester. We will walk a maximum distance of six to seven miles starting off from **MCFC, Etihad Stadium, M11 3DU (Blue Car Park G)**.

The route will include a visit to some of the charities we are supporting and will provide an opportunity to learn more about the organisations and the work they do.
