NATURE RAMBLES 2022

6th April - POOTLING AT POYNTON

A circular walk looking at a few early blooms, the local bird life and a few insects whilst taking in the tranquillity of this fine area. 50 species is the aim whilst strolling along.

19th May - SPRING AT GATLEY CARRS

A gentle stroll looking at various aspects of the natural world with a picnic finish if the weather plays fair. A ever-improving site this with always something to discuss.

19th July - FLOWERS OF FLETCHER MOSS

A botanical walk enjoy the joys of wild flowers and the many bugs that inhabit this delightful area. Galls, the odd fungal specimen and a few birds will be thrown in too.

15th September - ROAMING AT ROMAN LAKES

A few early fungi, a fine selection of flowers, open water and just a serene escapism all enhanced by some good company and a a brew and some cake to finish.

19th October - FUNGI AT FORMBY

A trip out on the minibus to the Sefton Coast were we will have a fungal wander and hopefully find a few special species.

If you wish to attend any of the above please call us on 0161 442 0442 as soon as possible. Places are limited but there will be reserve lists.

All walks are free and friendly but if anyone can make a small contribution to costs it would be greatly appreciated.
