

YOUR FIRST STEP TO AN APPRENTICESHIP

Why Mantra Learning

Mantra offers pre-apprentice support on our Pathway to Apprenticeship programme. We train our learners in the key skills and knowledge needed to start employment. This is accompanied by valuable work experience with selected employers.

Why Automotive

The automotive sector is becoming the industry of the future. As the sector advances with technology, more and more jobs are becoming readily available.

We will support you in finding your apprenticeship, giving you the skills and experience that employers demand, whilst also teaching you interview techniques and CV building.

Benefits of an Apprenticeship

- Learn while you earn.
- Gain hands on, sector specific skills.
- Gain valuable work experience.
- Gain an accredited qualification.
- No student debt.
- Build an impressive CV.
- Save money and receive a **FREE** toolbox after completing your programme.
