

# Immediate Training & Job Opportunities in Construction

Greater Manchester Construction Training Bootcamp  
Every two weeks until March 2022

To ensure the City's buildings are fit for a low carbon future, we are running free Refitting Bootcamp courses, offering you the training you need for a career in construction:

- Practical retrofit training (insulation and fenestration)
  - Retrofit awareness
- Construction Health & Safety Training to secure your CSCS card
  - Onsite workplace skills training for job movers
- Guaranteed job interview for trainees completing Bootcamp

For more information or to book your place on a course please email [bootcamp@procure-plus.com](mailto:bootcamp@procure-plus.com) or phone Hannah on 07714 171109

Delivered by The Low Carbon Academy (Part of the North West Skills Academy) in partnership with Procure Plus
