Greater Manchester (GM) has a reputation for being a place where there is a strong commitment to improving the lives of all lesbian, gay, bisexual and trans citizens. There is a wide network of LGBTQ+ support throughout Greater Manchester. Evidence shows that people in this community often desire to seek support from inside the community itself and to be supported by mainstream inclusive services. With this in mind, Dementia United are setting up a new GM LGBTQ+ Online Dementia Support Group, that will meet the first Tuesday of every month 2-3:30, via Zoom. The flyer attached has the details about the group, the Zoom link and contact details for anyone who is interested in finding out more and/or joining on the day. The first meeting of this group will be 3rd August 2021.
