# Introduction to Web Development

**21<sup>st</sup> January - 12<sup>th</sup> February 2026**

Four Weeks, Every Wednesday & Thursday at Stockport Museum

**Learn the essential skills to start creating with code and realising your ideas on the web.**

Gain practical experience with HTML, CSS, and JavaScript – the building blocks of the web. Develop an understanding of how websites are made, and demonstrate your skills by starting an online portfolio

**> Wednesdays & Thursdays**

At Stockport Museum, 10am - 3pm

**> Additional Online Support**

6+ hours of extra learning, available any time

**Stockport Museum**
