STOCKPORT FOR CARERS

Signpost Bulletin - No.2, June 22

What's new for Signpost?

We were super excited to welcome guests to the opening of Annie's Cafe at the beginning of June. Annie (2nd from right) is a former carer and current Signpost volunteer who knows just how important it is to meet and mingle with other carers. The monthly cafe, held in the basement of the Heaton Centre, is an opportunity for carers and former carers to come together, over the most fantastic selection of tea and cakes. This is one of the many ways that our carers support each other - we're very proud of them all!

Weston Charity Award for Signpost

Weston Charity
AWARDS

We are absolutely delighted to share that Signpost Stockport for Carers has won a Weston Charity Award. The award gives our charity the chance to invest in our future with ten months of strategic planning support from a dedicated team of four business experts, thanks to pro bono charity Pilotlight and a core grant of £6,500 from the Garfield Weston Foundation which will support our Moneywise work. We couldn't deliver our work without grants and donations and are grateful for every penny.
