

# Stockroom Engagement

**Stockport has successfully-bid for £14.5m of Government Future High Street Fund money** to transform vacant retail units in the heart of our high street, Merseyway.

**The Future High Street Fund bid was for Stockroom.**

**Stockroom** - a 21<sup>st</sup> century, universal learning and discovery space which could give the people of Stockport an opportunity to learn new skills, practice arts and crafts, enjoy live music and performances, use free services, and benefit from cutting-edge learning and IT facilities.

**We've secured the funding.....Now we need your help to create something special!**

**Complete the survey and have your say**
