

Stockport Community Connections is a project exploring issues around loneliness and isolation for young disabled people and those with SEND.

KIDS in partnership with Pure Innovations is seeking young disabled people aged between 13- 25 year olds.

To participate in a series of weekly arts-based workshops at Vernon Park to connect, make friends and have fun.

- ★ Has the effects of Covid 19 left you feeling lonely or isolated?
- ★ Do you want to make friends and be creative?

If so please get in touch.
