

🌍 Create & Explore: A 'This Book Stinks' Library Workshop! 🎈🚊✂️

Ready to go on a creative adventure? Join us for a fun-filled workshop designed especially for kids aged 7 to 10, where travel dreams come to life through art and imagination!

We'll be decorating colourful trams and hot air balloons — and thinking about all things travel-related! Kids will use a mix of art supplies and crafty extras to design their own travel-themed decorations, while we chat about summer adventures, real and imagined.

Whether it's a beach holiday, or a city escape, every child will leave with a unique piece of art and a heart full of wanderlust.

You will also be able to buy a copy of *This Book Stinks: A travel journal for daring young explorers* by Stockport-based Emma Clarke, and published by Stockport's Bosky Publishing.
