We're working with [Starting Point Community Learning Partnership & Coffee Shop](#) to bring you an afternoon of celebration, fun and wellness on Wednesday 1st June, just before the Queen's Platinum Jubilee bank holiday.

Over the next weeks we will be contacting our partner organisations and friends to invite them to have a table, activity or just be with us. If you are an organisation that provides well-being or health support to our community as a charity or social enterprise we'd love to hear from you, just email [kay.keane@nhs.net](mailto:kay.keane@nhs.net)
